

Privacy Statement

Effective:[9.28,2025]

We are dedicated to protecting the confidentiality and privacy of information entrusted to us. Please review this Privacy Statement ("Statement") to learn about how we collect, use, share and protect the personal information that we have obtained through the [Heart Will]("App" or "Service").

The App is offered by [Yadong Li]("we", "us", or "our"). You may contact us by sending an email at [13141563224@163.com].

We may revise this Statement from time to time by updating this posting. The revised Statement will take effect when it is posted.

A. Collection of your data

We may collect, use and hold a range of different data about you:

- email address.
- the type, version, brand, language and operating system of device.
- the type and operator of network (such as Mac address).
- behavioral usage of the App.
- device identifiers (such as IDFA, IDFV for Android, GAID for IOS).

B. Purposes of collection

We generally collect only the personal data necessary to fulfil your request and for the following purposes:

- To perform our obligations under a contract entered with you.
- To administer, maintain and ensure the security of our systems and App.
- To comply with legal and regulatory obligations and professional standards.

C. Minors

We understand the importance of protecting minors' privacy, especially in an online environment. In particular, our App is not intentionally designed for or directed at individuals under the age of 13 (“minors”). It is our policy never to knowingly collect or maintain information about minors. We will protect the confidentiality and security of minors’ personal information in accordance with relevant applicable laws and regulations.

D. How we disclose your data

Your data will be disclosed to the following organizations for the purpose of enabling us to supply our Services to you:

- Organizations provide support services to our businesses and operations including without limitation: market research, surveys, App usage analysis, data storage services, maintenance and repair services.
- Our affiliates or professional advisers, including our accountants, auditors, and lawyers.
- Government and regulatory authorities and other organizations, as required or authorized by law.

E. Safety and protection of your data

We have reasonable security policies and procedures in place to protect personal information from unauthorised loss, misuse, alteration, or destruction. To the best of our ability, access to your personal information is limited to those who have a need to know.

F. Retention periods

We will retain your personal data for as long as it is necessary to fulfil the purpose of the processing for the duration of the business relationship and any applicable statutory limitation periods thereafter, or as long as necessary to comply with our legal obligations, such as retention obligations under tax or commercial laws or the resolution of disputes.

G. Links

The App may contain links to other websites and applications operated by third parties. We have no control over the content of the linked websites and applications or the way in which the operators of those websites and applications deal with your data, and are not responsible for the content of such third party websites and applications. You should review the privacy policy of such third party websites and applications to understand the ways in which your data may be used by those third parties.

- Facebook:

- Google AdMob & Firebase: <https://policies.google.com/privacy>

H. Your rights about data

You have a right to request access to, and correction of, your data. You also have the right to request that we delete (only applicable where the rights to erasure is required by law) any of your data that is no longer necessary for the provision of our Services. You may decline to share data with us and/or withdraw any consents which you may have provided, in which case, we may not be able to provide you with some of our Services.
